The Hodges Family would like to thank you for considering a membership at Copper Creek Golf Club. We hope you have noticed our massive effort this year to improve the Golf, Restaurant and Patio experience at the Club. Our goal is to provide a place for the entire family to enjoy, whether you are at the restaurant, bar or on the patio!

We have designed our membership program to allow customers to enjoy golf and many social events throughout the year. We also have an amazing Social Membership for our customers who do not play as much golf but still want to enjoy all the other benefits of membership!

Although the course is not a "Private Club" we think we have a great year of member activities planned for 2021! We hope you make the choice to join Copper Creek Club as a Founding Member this year so we can all have a great time together!

Thank you again!
