## 2022 MENS LEAGUE FORMAT

Men's League will have a new look this year! For the 2022 Golf Season we are going to implement a new layout for Men's League. It will be held on Wednesday each week starting on May 4th, 2022. The format will be two-man team-based scoring. Everyone will have to have an establish GHIN Handicap before the start of the season, this requires 3 rounds played (can pair 2 different 9-hole rounds to count as 1 round). The GHIN Handicap fee is a part of the Men's League sign-up fee. Any questions regarding the GHIN Handicap system Kody will be glad to assist. We recommend signing up for Men's League in teams of two (we will do what we can to accommodate single sign-ups but cannot guarantee a spot).

To ensure this runs smoothly, we will have two different divisions. There will be an Early Division and a Late Division. You will need to sign up for one division that fits your Wednesday schedules, and this will be the timeslot your team will play for the entirety of the year. The Early Division will be a Shotgun Start at 4:00 PM and the Late Division will be a Shotgun Start at 6:00 PM. If you are in the Early Division and wish to play an entire 18 holes the opposite nine will be available starting at 6:00 PM.

You will play with your partner each week but will be matched up against a different twosome each week. Kody will decide each week the pairings that will be matching up with each other and will be announced before start. He will assign each Matchup a hole assignment for the corresponding Shotgun Start (Early or Late).

## SCORING

Each week there are 3 possible points. Within your matchup, the highest handicaps between the two teams will square off against each other and the lowest handicaps will square off. The 3rd point is whichever team has the total low (adding both you and your partners scores together vs your matchups total score). Remember this is ALL handicapped. If a team is a no show, the opposing team will receive 2 points. We will post scores weekly of all teams and have a season long running tally, like the FedEx Cup Points. We will also periodically mix in additional games. At the end of the season, we will crown an Early & Late Division Men's League Champion based on the point system.

## SUBS

If a player is unable to make a certain week, subs are allowed. The only rule is your sub MUST have an established GHIN Handicap.

## COST

Joining fee for 2022 Men's League will be \$75. This will include the GHIN fee.

Our Staff has decided that this format will allow for a more competitive atmosphere, while also getting to know other individuals that you might not have met before! Please contact Kody Ingle in the Proshop to sign your team up today!
